MBR KENTUCKY STRAWBERRY SHINE

Kentucky Strawberry Shine™ is pretty simple; ripe strawberries combined with our signature True Kentucky Shine. There's actually over a full pound's worth of fruit per bottle!

All of the colors and flavors that come with this delicious drink are completely natural in every way. The proof on this is a bit lower and tends to please both spirit and wine drinkers alike. This one is also great mixed with some cream soda over ice (strawberries & cream).
